

# WALL MOUNT BRACKET

S2WMB

## PRODUCT DESCRIPTION

The wall bracket is used to fasten the SnapLite to most walls. Using the 2x2 or 2x4 SnapLite, you can mount this vertically or horizontally. Locate how you want to install the SnapLite and remove the existing screws where the bracket will be installed by using the supplied screws #8 x  $\frac{3}{8}$ . Apply the wall retainer bracket with the supplied anchors to the wall and fasten. Hook the SnapLite to the wall retainer bracket to secure it. Connect the power cord to a receptacle.

**Z-Bar:** 1.5 x 21 inches (38.1 mm x 533 mm)

**Flat Bar:** 1.5 x 21 inches (38.1 mm x 533 mm)
